

SOCIALCORNER SINK INSTALLATION GUIDE

The SocialCorner sink is uniquely designed to be installed on the corner of the island. We offer models for right corner and left corner installation. For more information regarding product offer, please refer to our website at homerefinelements.ca

The SocialCorner sink is offered in three sizes to fit standard cabinet width of 24", 30" and 36", and standard cabinet box depth of 24". The overall dimensions of the sink allow to align the aprons with the edge of the countertop, given the countertop extends the cabinet box by 1 1/2" .

Cabinet	Overall (X x Y x Z)
24"	25 1/2" x 25 1/2" x 11 3/4"
30"	31 1/2" x 25 1/2" x 11 3/4"
36"	37 1/2" x 25 1/2" x 11 3/4"
