

RILEY

Functional and stylish, the Riley Collection from SunnyWood features traditional design lines with a casual hand-detailed finish.

Exceptional materials and fine furniture-like craftsmanship are combined with features like raised field panels and applied moldings to make the Riley collections stand out from the crowd. The cabinets utilize soft-close door and drawer mechanisms, solid wood dovetail drawer construction, full extension drawer slides, 3/4 length shelves, and moisture resistant white interiors.

Both beautiful and durable, the Riley Fresh White finish with its subtle hand-applied gray glaze adds a casual note to the collection allowing it to complement many of today's kitchen interiors.

Fresh White Finish
with Dover Glaze

Solid wood dovetailed drawer boxes

Soft-close doors and 3/4 length shelves

Soft-close drawers and veneered interiors

RILEY Series
